How can we help?

ACCESS SUPPORT

Takeda Oncology Here2Assist® case managers may provide access support for patients prescribed Takeda Oncology medications by:

- Working with your patients' insurance companies to conduct benefits verifications and provide coverage options to your office
- Helping eligible patients get started on treatment in the event of an insurance delay
- Identifying a specialty pharmacy to help fill and ship your patients' prescriptions appropriately

HELPFUL RESOURCES

Takeda Oncology Here2Assist case managers can provide information about available support services for patients including:

- Financial assistance for eligible patients
- Regular follow-up calls
- Nurse navigators to support your patients on their product education journey*

For more information about access, financial assistance, and available support services for your patients, call us at 1-844-817-6468, Option 2.

Let's Talk. We're available Monday-Friday, 8AM-8PM ET, or visit us at www.Here2Assist.com to learn more.

*For FRUZAQLA™ and ICLUSIG® patients only.

† Visit www.Here2Assist.com for Terms and Conditions.

FINANCIAL ASSISTANCE

Takeda Oncology Here2Assist can help identify financial assistance programs that may be able to help your patients with the cost of their Takeda Oncology treatment.

- Takeda Oncology Co-Pay Assistance Program may be able to help your commercially insured patients with their out-of-pocket costs for their medication†
- Takeda Oncology Patient Assistance Program may provide eligible patients with their Takeda Oncology medication at no cost to them if they are uninsured or the prescribed medication is not covered
